Wood Fire

By PAUL AGNEW | DESIGNS[®]

Siena

seven fifty tunnel

Exclusively brought to Living Fire by Paul Agnew Designs.

This modern minimalist wood heater can blend into a multitude of design interiors, with the flexibility to be used as an open fireplace or slow combustion unit, this double-sided fireplace will make a statement in any open plan space.

Designed to be enjoyed from both sides, this is the perfect unit to divide any space.

Placed in the centre of a room, or even the most modern warehouse conversion, this beautifully crafted cast iron is sure to catch your eye.

Whether installed as a built-in or left freestanding, the high quality craftsmanship guarantees reliability and durability.
